Friends of Park Mead

The Friends of Park Mead is an independently registered charity who organise fund raising and fun events throughout the year. EVERY penny raised is donated to Park Mead to support or fund projects, mainly as part of the School's Development Plan.

A Message from the Friends

We can't believe were in the Summer Term – and not just because of the weather!

Term 5 the Friends of Park Mead were back to take over the Arlington Bluebell Walk cafe after a break of 5 years. All the volunteers loved taking part and to top it off we made £2182 and will be invited back again next year!!! On behalf of the Friends I would like to say a massive THANK YOU to all the bakers and volunteers that helped make this day a huge success.

We haven't got any more events planned after this term as unfortunately we haven't received any interest in the position of Chair. There will a recruitment push in Autumn 2024 for new parents but unless this position is filled and there are enough parents to support the committee, the charity will sadly no longer function.
