Dear Park Mead families

We are pleased to announce that our home reading records will be replaced with BoomReader.

BoomReader is an award winning app designed to support teachers, parents and children with logging reading and books.

Here is a brief list of the benefits:

- No lost reading diaries
- Reading diaries are never left at home on the busy school run
- Log reading in seconds- just 4 or 5 taps of your phone to log reading
- Easy to see all reading for all of your children in one place
- Saving needless paper usage
- No damaged / ruined reading diaries
- School gains powerful insight into reading for every child
- Reading records move with your child through school
- Parents/carers can log in separately for each child
- Parents without smartphones can login via the website: boomreader.co.uk/parents
- And of course, the app is completely free for parents to download and use!

BoomReader has an area on their website dedicated to parents that includes guides and further information.

To help you get started, you will soon receive login details from your child's teacher that will contain your child's unique PIN code.

Once you have received your child's PIN code, please go to this website to download the app and login:

If you have any questions, please do not hesitate to contact us.

Kind regards,

Mrs H West
Head of School
