

Year 5&6 Term 3 Newsletter

'Survival of the Fittest?'

Dear Parents,

I hope you had a fantastic Christmas! This term we will be learning about Evolution and Inheritance through our topic of 'Survival of the Fittest?', focussing on habitats, famous scientists and animals around the world. Our PE days are Fridays, but please ensure your child's kit is always in school; as the timetable can sometimes change - trainers and coats **everyday** are essential.

Reading	Please read with your child regularly. Their books and book bags will need to be in every day. You may like to add a positive or helpful comment in their reading diary, but please acknowledge the fact that the book has been read by signing and dating in the comments space. A member of staff will be checking reading records on Fridays and children are expected to have read at least 3 times a week with an adult.
Spellings	Spellings will be tested each week on a Monday afternoon.
Times Tables	Please ensure that children are practising their times tables at home regularly.
Homework	Maths homework will be set weekly on My Maths. Please ensure you support your children to complete this. English homework will be set fortnightly. There will be a home-learning project to complete this term as well.

Helping to enrich our topics

It is always great to have items or visitors that support our topic, so if anyone has any knowledge or items that may help us with any of the work we are doing this term, we would love to see and hear about them.

Parent readers - We are always looking for extra parent helpers to hear readers, please let me know if you are available, even if it's a one off!

Reminders - Please make sure your child brings in a water bottle each day with fresh water; ensure all jumpers are labelled and bring a coat for any wet weather.

Many thanks, and I hope you have a great term!

Miss Banks
