## ST MARY THE VIRGIN CEP SCHOOL NEWSLETTER

'Learning with love, strength and faith following the example of Jesus'

## Dear St Mary's Families

We can't quite believe this term is over! It has absolutely flown by and the children have worked incredibly hard. It has been a real pleasure to see so much 'star' work going around the school and a few headteacher's awards already! Keep an eye out in the newsletter for details of headteacher's awards as these will always be included each fortnight.

We are looking forward to beginning next term with Fairtrade Fortnight. A letter with all the details about these two weeks is also coming out today for your information. A big thank you to the PFTA who are funding a music workshop for all the children on the first day back next term - it is going to be great!

A wonderful day was had by all on our Whole School Trip to the Ashdown Forest. The weather was kind to us as we explored, climbed, hiked and splashed our way through the day. The magnificent Forest Leaders led us in different workshops as we all learnt new skills and tried things we hadn't done before. A huge thanks to all the volunteers who joined us - we wouldn't be able to give the children these fantastic experiences without people like you!

Thank you, as always, for your support. It has been great to hear your feedback about various things this term - do keep talking to us if anything comes up in the future. Have a fantastic half-term holiday!

Kind regards,

James Procter

# Whole School Vision Launch Monday 11th March 2019

Please look out for a letter to parents coming out after half term. To celebrate our new vision, we are going to have a launch day on Monday 11th March and we would like to invite you to join us for an assembly at 9am. Following this, the children will have a Pause Morning, where they will be exploring the vision and what it means for them.

#### **PTFA Update**

Thank you so much for making the school disco a huge success last week, raising £300 profit. The PTFA x

#### Chicken Pox

We are continuing to receive notification of children coming down with Chicken Pox. Just a reminder that children should not return to school until the last spot has crusted over and your child is well enough to attend.

# Parent Forum - 7th February

#### Vision:

What would you like to achieve for the children of SMV when they leave?

The core values are what will be lived out through the vision. Golden Rules feed into the vision too. Love Strength and Faith are the core values.

A vision needs clarity, succinct and consistent around the language of the vision. We are now creating a full vision statement which incorporates all of the previous ideas into a short paragraph. Vision song has been created to be taught to the children to help them recall the vision.

Bible Stories - linking the Bible, vision and community for the children.

Allow the children to explore the stories of the Bible

Faith: Luke 18:35-42. A Blind Beggar received his sight Comment: This story is very relevant for faith in Jesus but less so for faith in yourself. This story will be used alongside the phrasing in the vision to display how this is relevant to daily life.

Emma Huxtable to come back to us with another potential option for faith. Changed to Luke 5 1-11 The story of The great catch of fish. Following parent suggestion.

Strength: John 6: 1-14. The feeding of the 5000 Strength of faith

Comment: children need to be able to translate into the behaviours in school and how this is measurable

Love: Luke 10: 25-37. The Good Samaritan 'Do it in love for me'
This is always driven through by the School Development Plan.

#### **Behaviour Policy**

Behaviour is good across the school. However, we needed to consider the low-level behaviour e.g. volume at lunchtime, not immediately following instructions, a little talking back to adults.

Volume meter is now visual in the lunch hall.

Agreed with the school that lunchtime needed to be looked at.

Therapeutic approach is key for all children. Clarity was needed for sanctions and consequences for breaking the Golden Rules. Children needed to understand the severity and seriousness of any poor choices.

Behaviour Policy:

Following the rules: Green

Above and beyond: Blue (5 dojos)

Exceptional learning following exceptional behaviour:
Star (celebrated with an adult of their choice)
HT award linked to progress in learning: Golden
Stickers and Certificates, names in the newsletter
Positive reinforcement

All reset before lunch

#### Sanctions:

Warnings and reminders given
Official warning linked to golden rules

Move onto Amber. KS2 miss 10 minutes of next playtime, KS1 miss 5 minutes. In that time, children complete missed learning or work around PSHE of learning a lesson.

Move onto Red: KS1 miss 20 minutes of their next play after reflection sheet; KS2 miss 60 minutes of minutes of their next play after reflection sheet. Child needs to have a significant sanction so that they understand not to repeat the behaviour. There is flexibility around the system to allow acknowledgement for individual needs or situations. Comment: Use the word 'aim' rather than 'try' as 'try' allows for failure. The golden rules will now link straight through to the behaviour system and love, strength and faith.

Feedback from parents is positive - great to have the clarity for children, parents and staff.

# PALS Assembly—Monday 11th February

Each term, we have a PALS (Progress and learning) assembly, where the children share their books from the term and identify where and how they have made progress. It's great to see the children sharing their books with children from other classes, and hearing how proud they are of their achievements. Here are some photos and quotes from the assembly:

"I found drawing difficult in the beginning in Lilac and now I am drawing with shading and collage. Lots of different way of drawing and I enjoy it," Szabi in Year 5

"Amelia is proud of her work because she completed a full page written to the end of the page," Y2 pupil

"Harry was writing a sentence and his writing is much better than it was before, and he got a star," Year 1 pupil

"I like my Maths like they do in China, it was sort of tricky but I did it," Archie in Year 3

# Wildlife Explorers & Eco Club—Mr and Mrs Rowberry

The St. Mary the Virgin Wildlife Explorers are in action to match all the criteria necessary for our Eco-School Green Flag, the premier award for schools supporting their environment.

The Explorer Leaders ran a school assembly to explain what needs to be done and emphasised our Eco-Code which everyone needs to know:

# **BAKE OFF** COMPETITION

#### Fairtrade Fortnight

is coming soon..

As part of the activities taking place across the two weeks, we would like to launch a baking competition amongst the children on Monday 25th February.

#### Fairtrade Ingredients

Are you a budding baker? Can you make something using a fairtrade ingredient or as many fairtrade ingredients as possible? This year's theme for Fairtrade fortnight is Cocoa, but you can use any of their products for this competition.

#### Cake Sale

Bring your entries into school on Monday 25th February. We will be having special guests to judge the entries and declare the winners in an afternoon assembly, before your creations are prepared for a cake sale after school. All proceeds going to Fairtrade.

Prize Categories:

Fair-licious - the best tasting creation.

Fair -aware - largest number of Fairtrade ingredients in one recipe.

Fair-innovation - the most unusual recipe/bake.

Bring your entries into school on the first Monday back. There will be a prize for each category.
