St Mary's School  
Reception

Phonics and Tricky Word Booklet

My name

is.....

Phonics and Tricky words booklet.

Each week at school we will learn some new letters and sounds, which we will let you know about on the homework sheet. We will also highlight these in their tricky words booklets for you to practise at home. These will stay in their book bags, so we can practise them weekly at school, but also to allow you to practise at home- little and often is brilliant for the children. Thank you in advance!

Your child will then move on to spellings at school during our tricky word and phonics time.

We will be working our way through our Phonics and Tricky Word booklets. This is to help them consolidate the use of correct spellings in their independent writing.

Please check which ones we are working on by looking in their reading record booklets.

We are starting with the first tricky words. We will then go to phase 3 blends and then onto some further tricky words as are sequenced in the booklet above.
