## Rationale

As part of our Health and Safety policies and procedures the school has a Lockdown Policy.

On very rare occasions, it may be necessary to seal off the school so that it cannot be entered from the outside. This will ensure that pupils, staff and visitors are safe in situations where there is a hazard in the school grounds or outside the school in the near vicinity.

A lockdown is implemented when there are serious security risks for the premises due to, for example, near-by chemical spillage, proximity of dangerous dogs, serious weather conditions or attempted access by unauthorised persons intent in causing harm/damage.

## Scope

This policy applies to employees, volunteers, parents, pupils and people visiting all school sites. It covers the procedures and personnel responsibilities when the school is required to go into lockdown.

## Consequences

- Copies of this policy will be disseminated through staff handbook, parent handbook and posters in all General Learning Areas.
- There will be at least one practice lockdown drill per year.
- All staff members must ensure they are clear about lockdown procedures before a practice drill or lockdown occurs.
- Teachers will remind pupils of the lock-down procedure at the start of each term.
- All people on the school grounds will participate in the Lockdown procedures.
- In the event of an emergency, the Executive Headteacher, or Head of School will make the decision, in consultation with police when deemed necessary, with regard to whether the site need to be locked-down.
- Pupils will not be released to parents during lockdown. Parents are not to call the school as this may tie up emergency lines that must remain open.
