

AWAY FROM HOME

1. There is a reason it's shining,
It must have something to say.
We've never seen anything like it,
What an amazing display.
But we can't be scared,
Coz this is our journey.

CHORUS *We're on our way, we've seen the sign,
We're having faith that this is right,
We've never been this far away from home.*

2. There is a reason it calls us,
Beckoning 'follow the light'.
It's shining so brightly before us,
We'll carry on through the night.
But we can't be scared,
Coz this is our journey.

CHORUS x 2 *We've never been this far away from home.*
