

SAVE OUR SHEEP!

1. Have you checked the fences?
Better close the gates,
Strengthen our defences,
We can't have any sheep running away!

2. Can we count the sheep up?
Where is number eight?
Can you try and keep up?
We can't have any sheep running away!

CHORUS *It's a military operation,
Shepherds gather at your stations,
It's a safety obligation,
We are working.
We are not afraid of danger,
Wolves would have our sheep for dinner,
Do not let them any nearer,
Save our sheep!*

3. We must work together,
We must keep them safe,
In whatever weather,
We can't have any sheep running away!

4. I think I need the toilet!
That'll have to wait,
Breaks must be avoided,
We can't have any sheep running away!

CHORUS **(with lyrics spoken above the singing by Chief/No. 2)**

(with spoken lyrics)

LAST CHORUS *A military operation,
Shepherds gather at your stations,
It's a safety obligation,
We are working.
We are not afraid of danger,
Wolves would have our sheep for dinner,
Do not let them any nearer,
Save our sheep!
Save our sheep!
Save our sheep!*
