

Willow Class - Roald Dahl Day

We had a fantastic time on our Roald Dahl day – we were busy making our own chocolates and baskets in the morning and also took the time to admire each other's amazing outfits!

We were then challenged to complete a Roald Dahl quiz, answering a range of questions based on his novels. To complete the quiz we needed to unscramble letters to work out the titles of two of his books.

We had lots of fun using our drama skills to create freeze frames as characters from *Charlie and the Chocolate Factory*. We added thoughts, dialogue and actions to them and considered how the characters were feeling as they opened the Golden Ticket.
