

East Sussex 1space

For information about East Sussex services and schools for pupils with SEND, search here:

<https://1space.eastsussex.gov.uk/Categories/342>

The East Sussex 'Local Offer' provides information about what support is available for children and young people (0 to 25) with Special Educational Needs and Disabilities (SEND) in East Sussex, and their families and carers. The East Sussex Local Offer is made up of:

- the services listed in these categories, and
- a [Special Educational Needs and Disabilities Information Hub](#) which outlines how different SEND processes work.

We are currently adding services to our Local Offer categories. If you know of any services you think could appear on 1Space, please [contact us with their details](#).
