Green text:	These criteria are fully met
Turquoise text:	Evidence for statements
Purple Text:	School Development Plan reference
Amber text:	These criteria are partly met

This evaluation is updated regularly. Evidence is collected from a range of sources including lesson observations, book scrutiny, talking to learners, staff and parents and analysis of data.

Staff and Governors contribute to evidence included in the SEF. It is shared with the Local Authority and influences key actions in the short term and priorities for the school development plan (SDP). SDP 24-25 and previous development plans are available on the school website.

CONTEXT

In **March 2020**, the School achieved a 'Good' Ofsted inspection.

The Pioneer Federation consists of 6 Primary schools and has an outward facing approach to school improvement. The Executive Head now splits his time equally between the 6 schools and the 6 schools work very closely & collaboratively in all aspects of school development- e.g. shared subject leadership, combined budget etc. East Hoathly Primary federated with Chiddingly Primary in November 2015. In September 2017 the federation went to a soft partnership with St Mary's CE Primary in Hartfield and Federated in September 2018. In September 2020, the federation went into a soft partnership with Park Mead Primary and they joined the Federation from September 2021. In September, Groombridge Primary & Nutley CE Primary went into partnership with Pioneer. The Pioneer Federation is in consultation with the Chichester Diocese, DOCET, DBE, ESCC, RSC and DfE regarding become a separate Multi-Academy Trust (MAT) in its own right by January 2025, catering for small school in Sussex. [See SDP 24-25 section 2.4.](#)

The Pioneer Federation has an outward facing approach to school improvement and are active members of local school Alliances. We have a very dedicated talented staff team who have impacted greatly and leaders have blossomed in their leadership roles.

In **2022- 23**, there had been a Co-Head of School leadership model in place- previous HoS (pt) and Senior Teacher stepping up. After a period of staff stability at SMV (2019- 2023), **from September 2023** there were 60% teacher changes and a new Head of School and Senior Teacher. These changes were due to maternity leave and staff seeking to gain experience at other Pioneer Schools. Mrs Jane Robinson was appointed as the full time Head of School at St Mary's from **September 2023**. She is a qualified SENCo and was previous an Assistant Principal in a large 'outstanding' Primary School in Sussex. Mrs Robinson ensured consistency across the school, embedded initiatives across 2023-24 & built our 'high exception ethos- *be the best you can be*'. **From September 2024**, we have an ECT in the LKS2 class (previous Pioneer teaching university student) and Mrs Bastin (previous SMV Head of School '19-23') will be returning to the UKS2 class. **Our expectation is that 100% of teaching will be judged as outstanding by March 2025.**

Teaching & Learning Improvement initiatives have impacted on standards in the school & federation. Over time, outcomes are inline or above NA with some exceptional attainment/progress records e.g. **2023 & 2024 KS2 Reading outcomes** were some of the strongest in East Sussex (attainment and progress) and in the top 5% of schools nationally. In **2023-24**- all teaching was good+ and 40% of teaching and learning was outstanding. In **2024/25**- all teaching is good+ and **70% of teaching and learning is outstanding** with the expectation that 100% of teaching will be outstanding by March 2025. In **July 2024**, all pupil outcomes were at or above NA, apart from Year 1 phonics (33% SEND) and Year 6 GDS Maths ([see SDP 24/25 2.3](#)).

As a staff team **2019-2024**, we have collaboratively redesigned the **Pioneer curriculum** to ensure total clarity of intent/purpose, developing a broad/balance/ inclusive and inspiring curriculum for all. Our School Improvement partner (SC- **Nov 2023**) concluded- that **'The development of the federation curriculum is something that other schools would benefit from seeing.'** East Hoathly had an Ofsted inspection in **June 2024** & the 'Pioneer Curriculum' was judged as **'The ambitious curriculum is well-designed and logically sequenced. Pupils build on their prior learning well. As a result, their skills and knowledge become increasingly sophisticated.'** <https://pioneerfederation.co.uk/easthoathly/wp-content/uploads/2024/07/East-Hoathly-CofE-Primary-School-Ofsted-Report-June-2024.pdf>

In **March 2023**, SMV had Local Authority monitoring visits for 'Health & Safety' ([see report March 23](#)). The reports concluded that **'90% healthy and safety outcome, classified as outstanding.'**

Our LA School Improvement Partner (Shaun Collins) concluded in **November 2023/March 2024**, that **'St Mary the Virgin Primary is at present a good school with aspirations to be outstanding in all areas in the future. The new head of school has invested time in building relationships. The school has moved forward both culturally and in terms of its ethos and is stronger for this.'**
Overall the school presents as a caring and inclusive setting which is meeting the children's needs. The children are lucky to attend St Mary the Virgin Primary School.' *The school is a safe and inclusive environment where individual children's needs are understood and met.*

In October 2024, SMV had Local Authority monitoring visits for 'Safeguarding 2024'. The report concluded that 'Safeguarding is effective' and 'pupils are safeguarded very well at this school' & 'pupils were very positive attitudes about school, their confidence that school is a safe place and that adults in the school are always there to help them'. (THIS NEEDS CONFIRMING IN Oct24- but likely to be the above outcome)

We believe that St Mary's Primary School is at present a 'Good School' with outstanding aspects. St Mary's Primary School aspires to be an 'outstanding school' by July 2025.

'While pupils generally attain well by the end of key stage 2, the proportion of pupils reaching the expected level of attainment for reading at the end of key stage 1 has been below that seen in other schools nationally for the last three years. There is a very clear strategy into how the curriculum has been developed across the Federation. It is clear and consistent, aims to drive expectations and is resourced. The subject leaders are empowered to develop their areas and because the responsibility is shared across the federation senior leaders can deploy staff with expertise and degree level qualifications to lead curricular areas. This has helped ensure the curriculum has rigour and challenge in built. This is ambitious and is supportive of teachers and their workload.'</i></p> <ul style="list-style-type: none"> • 2024/2025: Pioneer Curriculum: To develop and evolve the <u>Pioneer curriculum</u> to ensure that it is the best it can be for all pupils. 24-25 Initiatives: Redesign of EYFS Curriculum to include 'Rising 5's'- termly EYFS Steering Group, Medium Term Planning by Subject Leaders termly for Cycle 1 (x2 SMs termly), Writing & GPS termly intent structure developed to ensure clear progression for unit skills, DT & Music INSET(staff cpd questionnaires July 24) , Subject Unit Progression documents with knowledge gained added, 'Reconnect' sessions at the begin of units/lessons to ensure the 'purpose' is clear for all pupil (EH Ofsted June 24), further cohort unit evaluations & Website subject folders. OVERALL EFFECTIVENESS: GOOD

Outstanding (1)

- 1.1 - The quality of education is outstanding.
- 1.2- All other key judgements are likely to be outstanding. In exceptional circumstances, one of the key judgements may be good, as long as **there is convincing evidence that the school is improving this area** See SIP reports 2021-25, sustainably and securely towards outstanding. Typically this will mean meeting each and every one of the good criteria but falling short on the outstanding for that key judgement.
- 1.3 - **Safeguarding is effective.**

Good (2)

- 2.1- **The quality of education is at least good.** (See SDP 20-25 Section 1). See SIP reports 2021-25.
- 2.2 - **All other key judgements are likely to be good or outstanding.**
- 2.3- **Safeguarding is effective.**

Overall Effectiveness

EVIDENCE TO SUPPORT THIS JUDGMENT:

Strengths and Areas for Development 24/25

We believe that **St Mary's Primary School** is at present a **'Good School'**.

Children leave St Mary's School as **confident, resilient learners** who make a very good transition to the next stage in their learning. See **pupil and parent questionnaires and community cohesion folder**

The school's vision and values are at the heart of the school ethos and drive all elements of school life. (**Refreshed and relaunched 'April 2024'** by **Mrs Robinson**) Children, families and staff are fully invested in the **3 core school values of 'Love, Strength & Faith' (LSF)** and these are evident throughout all elements of school life- a **'living breathing entity'**. <https://pioneerfederation.co.uk/stmarys/school-vision/>

We are an outward facing school and enjoy the benefits of effective collaboration. See **Collaboration Impact Report & See SDP 23/24 2.6, policies, displays and V/V section of website & stakeholder questionnaires**

SMV and the Pioneer Federation are **fully inclusive schools** and meet the needs of all children. See **partnership folder & Inclusion report and outcomes.**

70% (Sept 24) of teaching and learning is **outstanding** and all teaching is good+ with action plans in place for all teaching/learning to be outstanding 24/25 & engages pupils in a new broad, rich and challenging curriculum. See **SIP reports, staff effectiveness matrix and curriculum folder.**

The **inspiring curriculum** shows clarity of purpose through our clear **'Intent, Implementation and Impact'** approach and **Road Maps, MTPs and Subject Skills Progression Documents** – See **curriculum maps and website links**

All of cohorts and groups now make consistent progress across the school and **the majority of attainment over time (20-24)** is at/ above National. See **2020-24 Datawall section above, Year 6 2022-24 outcomes & data ways forward for 24/25- KS2 Ma GDS & Yr1 phonics.**

Attendance is good and improving across the school and for different groups 96.5% (July 2021) & at NA 2022-24 for overall attendance. See **appendix charts and SDP attendance charts 20-23.** **Persistence absence** remains an area of focus for leadership July 2023 17%. See **attendance evidence file & fortnightly checks.**

Pupil **spiritual, moral, social and cultural development** is excellent and the school takes deliberate and effective action to develop SMSC even further to enrich children's understanding of the world and the people who live in it. **Skills Builder & School Values traits** are embedded within the school celebration of learning, ensure pupils are confident, self-assured learners and these impacts on progress. We have well attended whole school and partnership events, educational visits, visitors to the school to enrich the curriculum, and singing, art/drama is now embedded to ensure children develop deeper sense of character and appreciation of the awe and wonder of our world. See **Curriculum Folder/displays/website for evidence of enriching curriculum termly events.**

Intent

2.1 - Leaders adopt or construct a **curriculum** that is ambitious and designed to give all pupils, particularly disadvantaged pupils and including pupils with SEND, the knowledge and cultural capital they need to succeed in life. This is either the national curriculum or a curriculum of comparable breadth and ambition. [If this is not yet fully the case, it is clear from leaders' actions that they are in the process of bringing this about.] SDP 19/20

1.1 & SDP 18/19, SDP 21/22 1.5, SDP 22-25 1.1

2.2 - The school's **curriculum** is coherently planned and sequenced towards cumulatively sufficient knowledge and skills for future learning and employment. [If this is not yet fully the case, it is clear from leaders' actions that they are in the process of bringing this about.] SDP 19/20 1.1, SDP 21/22 1.5, SDP 22-25 1.1

2.3- The **curriculum** is successfully adapted, designed or developed to be ambitious and meet the needs of pupils with SEND, developing their knowledge, skills and abilities to apply what they know and can do with increasing fluency and independence. ACTIONS TO SECURE IMPROVEMENT WERE SET OUT IN THE ‘2020-24’ SCHOOL IMPROVEMENT PLANS

Q of E Strengths & IMPACT OF ACTIONS TAKEN (SEPT 20- JULY 2024)

Strengths- why we believe that St Mary’s is ‘Good.’

- ✓ **Our key area of development ‘20-24’ was to improve on KS1 Reading EXS. This has been achieved. KS1 Reading EXS at 77%- above NA (July 2024)** we have had a focus on implementing staff training linked to KS1 reading and comprehension (Ofsted way forward 2020)- we have achieved this via the introduction of **Little Wandle phonics 2021-24.** See SDP [section 1 Quality of Education 21-24.](#)
- ✓ We have an inspiring, challenging, inclusive & fully broad and balanced **Pioneer Curriculum** which is continuously evolving from feedback via stakeholders/Curriculum Steering Group to ensure that our curriculum offer is the best it can be for all pupils.
- ✓ Our Curriculum enables clarity of purpose and embedding of skills through the ‘**Curriculum Maps- Intent, Implementation and Impact**’ approach and the development of **Road Maps, Medium Term Planning (MTPs) and Subject Skills Progression Documents** – see curriculum documents/planning, curriculum website blurbs & subject books.
- ✓ Our curriculum planning ensures strong ‘**Cultural Capital**’ - drawing on local (including Forest School), national and international context to develop pupils’ understanding of the world & the development of a wide range of ‘Curriculum Enrichment Events’.
- ✓ **PIONEER CURRICULUM: CP Ofsted 2019 ‘The curriculum is a strength and is fit for the future’. SMV March 2020 Ofsted ‘Leaders have designed an interesting, varied and ambitious curriculum for all pupils.’ EH Ofsted June 2024- ‘The ambitious curriculum is well-designed and logically sequenced. Pupils build on their prior learning well. As a result, their skills and knowledge become increasingly sophisticated.’**
- ✓ **Staff are able to explain the curriculum and what, how and why it is taught the way it is.** SIP Reports and Pre-Inspection LA Report, LA Curriculum Review and Deep Dive Reports 2022-25. Pupils are becoming more confident to talk about the purpose of their learning. LA School Improvement Partner concluded in **March 2024**, that **‘The development of the federation curriculum is something that other schools would benefit from seeing.’ Overall the school presents as a caring and inclusive setting which is meeting the children’s needs. The children are lucky to attend St Mary the Virgin Primary School.’**
- ✓ **Subject leaders can discuss their curriculum area** coherently and explained how it has been developed. They have developed clear curriculum documents to map subject skills and knowledge progression. See curriculum maps/offer, subject books, curriculum coverage auditing, website ‘curriculum and enrichment’, SIP Reports and Pre-Inspection LA Report, LA Curriculum Review and Deep Dive Reports 2022/23. **SDP 19-25 1.1**
- ✓ Staff & pupils have **total clarity of curriculum intent and teaching standards expectations** through our refined **teaching & learning policies & subject pupil toolkits** at the front of each subject book.
- ✓ All **subject books** have a **Subject Specific Toolkit** at the beginning. This lists the overall skills the children need to be successful in the subject. i.e. ‘What does a Pioneer Scientist, Historian, Geographer etc look like?’. All subject termly units will start with a ‘Subject Cover’ which includes key vocabulary and what the children already know and will end with a ‘Subject Unit Quiz’. These will be provided by the subject leaders. The **key vocabulary words** will be defined and written in by the pupils when they are introduced to them throughout the unit of work. Teachers will use the information from the end of term subject quizzes to adapt the next linked unit to address and gaps in unit skills. All termly Pioneer Cohort Meetings will start by evaluating the previous term subject **Medium Term Plans (MTPs)** and then adapting the next unit from this information. Opportunities for the children to explain what they already know about a unit of work will be provided for below the Key Vocabulary Sheet at the beginning of the unit. This will provide teachers with a reminder of pupil baseline of knowledge for the unit of work and also something to reflect back on after the unit quiz has been completed. The quizzes will also have an opportunity for greater depth knowledge recall by asking the children to reflect on what they have learnt linked to the overall subject big question for the term’s work (represented in MTPs), **making progress explicit.**
- ✓ **Teaching** is consistently good and 70% (Sept 24) is outstanding over time. If teaching/learning ever requires improvement, rapid developments are actioned (SLT and Pioneer subject leader coaching, mentoring) to ensure that good T&L is ensured. High quality staff CPD & robust NQT/ECT training mentoring programme See staff meeting agendas & CPD staff matrix. There

is strong progress in lessons as a result of well-planned differentiated & challenging learning tasks and effective use of assessment information to inform planning. [See termly lessons triangulations, SIP reports and planning feedback monitoring.](#)

- ✓ Staff can discuss how pupils with **special educational needs**, those who are **disadvantaged** and the **lowest performing 20%** are identified and supported to progress. [Road Maps now have icons highlighting curriculum adaptations for SEND.](#) Specific targeted SEND & Disadvantaged Curriculum/APDR provision (assess, plan, do, review) & planning is in place and use of **PPG** and **SEND funding** is directed towards defined areas of need and rigorously tracked for impact & value for money. [See PPG and SEND Reports and Summary Documents 24/25.](#) VG make good progress across the school. [See VG Datawall, LA Vulnerable Groups Monitoring Visit Report & SEND curriculum coverage auditing.](#) *SEND and Disadvantaged Pupils make good progress across the school. There is a narrowing or no gap for PPG pupils in most cohorts.* Progress of children with support from outside agencies as a result of personalised provision (APDORS) that enables the child to close the gaps in learning. [See Vulnerable Pupil Folder and Datawalls.](#)
- ✓ Appropriate systematic assessment and monitoring termly cycles in place to evaluate the effectiveness of performance. Rigorous pupil progress systems to develop the root cause of individual achievement needs & partnership moderation systems ensure validation of assessments. [See Assessment & Monitoring Cycles, monitoring folder.](#)

Teaching & Learning Improvement initiatives have impacted on outcome gaps over time: (SEPT 2019 - JULY 2024)

- ✓ Systematic approaches to phonics ([Little Wandle 2022/23](#)) and reading ensure pupils experience a rich variety of text and attain and progress well. [See SDP 23-24 1.2 and HOS report.](#)
- ✓ 'No-Nonsense Spelling' initiative developed 19-23. Spelling initiative introduced to increase GPS scores. GPS has consistently been at or above NA 19- 23.
- ✓ Multiplication initiatives to ensure that strong and robust strategies in place so that Year 4 pupils achieve highly in their formal multiplication testing have had significant impact. [Yr4 MTC outcome achieved June 2023.](#) [See 2023 Outcome charts.](#)
- ✓ Our Pioneer Maths Lead (Kayleigh Vile) has led a range of training, coaching and mentoring sessions 19-24 and has been involved in weekly team teaching Maths Mastery initiatives- [see Maths Action Plans and monitoring/support evidence.](#)

2022, 2023 & 2024 OUTCOMES - Leadership actions have ensured improvements in pupil outcomes. [See outcome charts above.](#)

- *EYFS GLD and APS at national averages. 20% value added progress from baseline. Reception entry data to exit data shows children make good progress in the EYFS for majority of areas.*
- Year 6 attainment for Re, Wr, Ma & GPS at/above+ NA for EXS & GDS (apart from GDS Ma 2024).
- SEND and Disadvantaged Pupils make good progress across the school. There is a narrowing or no gap for PPG pupils in most cohorts.
- Year 4 MTC – strong outcomes – 80% 20+ and average score 21/25.

L&M- Strengths & IMPACT OF ACTIONS TAKEN (SEPT 2020- JULY 2024)

Strengths- why we believe that St Mary's is 'Good' with outstanding leadership.

- ✓ Leadership refreshed the **SMV school vision and values** in April 2024, after full consultation with all stakeholders.  - ✓ **Effective collaborative working** is a strength of Pioneer Federation. There is strong support and challenge at all staffing levels to ensure that staff and pupils perform at the best they can be. Our strong collaborative working enables Federation schools- to -school support when required **See staff questionnaires, SIP/external monitoring reports & Federation strength documentation.**
 - ✓ Leaders have worked closely with staff to develop an inspiring, challenging, inclusive & fully broad and balanced **SMV & Pioneer Curriculum.** It enables clarity of purpose and embedding of skills through the 'Intent, Implementation, Impact' approach. Ensuring strong 'Cultural Capital' - drawing on local (including Forest School), national and international context to develop pupils' understanding of the world & development of a wide range of 'Curriculum Enrichment Events'. Staff are able to explain the curriculum and what, how and why it is taught the way it is due to explicit leadership curriculum cpd. Subject leaders can discuss their curriculum area coherently and explained how it has been developed due to explicit leadership curriculum cpd.
 - ✓ All **key policies** are constantly reviewed to ensure they underpin consistency and high expectations in core subjects and the wider curriculum. **See Policy Review Plan, Book and Learning Environment Booklet Policies & Policy Folders.**
 - ✓ High quality **staff CPD & robust NQT/ECT training** mentoring programme, ensuring strong subject knowledge & leadership. **See NQT folder evidence of NQTs moving to good/outstanding within first year.** Cross federation development opportunities support teachers in sharing effective pedagogy and learning from skilled and inspiring practitioners. **See staff meeting agendas & CPD staff matrix.**
 - ✓ Leadership cohort **curriculum coverage** monitoring ensures that all pupils successfully complete their programmes of study. **See monitoring folder.**

 - ✓ **The leadership structure is clear**, with precise accountabilities and expectations around precisely defined roles. Leaders promote a **coaching and growth mindset culture** for staff and pupils. Pioneer teaching and learning framework is embedded and teachers are trusted to **take risks and innovate** in ways that are right for their pupils. **See SDPs section 2 & staff meetings mins, and Leadership Action Plans** New positions developed 22-23 to enable further clarity and communication within year group planning- Cohort Planning Lead. Children, including those from disadvantaged backgrounds, do well. Children with SEND achieve the best possible outcomes.** SDP 20-24- section 5
- **1.5- Children are highly motivated and are eager to join in. They share and cooperate well, demonstrating high levels of self-control and respect for others. Children consistently keep on trying hard, particularly if they encounter difficulties.** SDP 20-24- section 5

Good (2)

Intent

- **2.1- Leaders adopt or construct a curriculum that is ambitious and designed to give children, particularly the most disadvantaged, the knowledge, self-belief and cultural capital they need to succeed in life.** SDP 20-23 Section 5.1, SDP 21-24 section 5
- **2.2- The curriculum is coherently planned and sequenced. It builds on what children know and can do, towards cumulatively sufficient knowledge and skills for their future learning.** SDP 20-21 Section 5.1, SDP 21-24 section 5
- **2.3- There is a sharp focus on ensuring that children acquire a wide vocabulary, communicate effectively and, in Reception, secure a knowledge of phonics, which gives them the foundations for future learning, especially in preparation for them to become confident and fluent readers.** SDP 20-21 Section 5.3, SDP 21-24 section 5

- 2.4- The school's approach to teaching **early reading and synthetic phonics** is systematic and ensures that all children learn to read words and simple sentences accurately by the end of Reception. SDP 20-21 Section 5.3, SDP 21-24 section 5

- 2.16- Children are ready for the next stage of education, especially Year 1 in school, if applicable. They have the knowledge and skills they need to benefit from what school has to offer when it is time to move on. By the end of Reception, children achieve well, particularly those children with lower starting points. SDP 21/22 section 5
- 2.17- By the end of Reception, children have the personal, physical and social skills they need to succeed in the next stage of their education. Most children achieve the early learning goals, particularly in mathematics and literacy.
- 2.18- Children enjoy, listen attentively and respond with comprehension to familiar stories, rhymes and songs that are appropriate to their age and stage of development. Children develop their vocabulary and understanding of language across the seven areas of learning. SDP 21/22 section 5
- 2.19- Children demonstrate their positive attitudes to learning through high levels of curiosity, concentration and enjoyment. They listen intently and respond positively to adults and each other. Children are developing their resilience to setbacks and take pride in their achievements. SDP 21/22 section 5
- 2.20- Children are beginning to manage their own feelings and behaviour, understanding how these have an impact on others. They are developing a sense of right from wrong. SDP 21/22 section 5

PRIORITIES FOR IMPROVEMENT (SEPT 2020- JULY 2024)

SDP 20/21-

5.1- Significant development of EYFS outside and inside learning environments.

5.2- EYFS Leadership self-evaluation- ensure EYFS leaders have ownership of the EYFS SEF and areas for development under new Ofsted criteria/framework.

5.3- EYFS Curriculum- ensure EYFS leaders construct a curriculum that is ambitious and designed to give all children, particularly the most disadvantaged, the knowledge, self-belief and cultural capital they need to succeed in life.

5.4- Teachers pedagogical knowledge developments – ensure children develop detailed knowledge and skills across the seven areas of learning in an age-appropriate way and EYFS evidence effectively demonstrates this.

5.5- Reading, Phonics & Mathematics- Ensure the curriculum caters for the expected systematic approaches for these areas of learning to enable the highest possible outcomes.

5.6- Pioneer EYFS Hub- Pioneer EYFS provision to be exemplary and is worthy of being shared with others.

SDP 21/22

5.1- EYFS New Curriculum & Baseline- leaders construct a new curriculum that fulfils the new framework expectations and is still is ambitious and designed to give all children, particularly the most disadvantaged, the knowledge, self-belief and cultural capital they need to succeed in life.

5.2- Teachers pedagogical knowledge developments – ensure all staff are aware of how EYFS pupils develop detailed knowledge and skills across the areas of learning in an age-appropriate way and EYFS evidence effectively demonstrates this.

SDP 22/23

Park Mead EYFS – To ensure that EYFS scores are at least at LA/NA averages in all areas in 2023. **ACHIEVED July 2023**

(Park Mead GLD 66%, LA 70%) (Park Mead PSE Goal 73%, LA 87%) (Park Mead Prime Goal EXP+ =73%, LA 78%) See section SDP 5.1 22/23 **ACHIEVED**

EYFS Curriculum- to embed the new Pioneer EYFS curriculum and ensure that it fulfils all framework expectations enabling impact, knowledge gained and progression of skills to be clear for all stakeholders. SDP 22/23 5.1. **ACHIEVED**

SDP 2023/24

5.2- Pioneer EYFS Cohort Planning – To ensure that staff learn from more experienced/EYFS Lead practitioners through a more consistent and coherent planning approach across Pioneer EYFS.

5.3- To embed Little Wandle (LW) Phonics scheme and associated decodable books/resources systems with Pioneer EYFS and rigorously track impact on pupil standards.

ACTIONS TO SECURE IMPROVEMENT WERE SET OUT IN THE '2020-24' SCHOOL IMPROVEMENT PLANS

EY- Strengths & IMPACT OF ACTIONS TAKEN (SEPT 2020- JULY 2024)

Strengths- why we believe that *St Mary's* is 'Good.'

- SMV EYFS teacher RB (3 days week) is the Pioneer EYFS Lead.
- EYFS OUTCOMES (See EYFS Trackers and Datawalls)- EYFS GLD and APS at/above national averages. 20 – 25% value added progress from baseline. Reception entry data to exit data shows children make very good progress in the EYFS for all areas. Disadvantaged pupils (PPG, SEN) make very good progress. EYFS outcomes at or above LA/NA and improvements made yearly- see progress in attainment 22-24.
- 'EYFS Lead reflections on Park Mead/Pioneer EYFS Strengths- 'July 23' - *Thorough processes for assessing children's abilities when they enter Reception and rigorous ongoing assessments staff are able to plan very effectively for the needs of all children. Strong links with parents, supported by an effective programme of pop in and play sessions and home visits, ensure that transition is managed very well. Thorough mid-term and short term planning across the Federation, as well as spontaneous and responsive planning, which follows the interests of the individual cohorts leads, to the greatest levels of involvement and interest from the children. Creative environments and inspiring resources support children's learning and development very successfully, enabling them to build up high levels of independence, curiosity and imagination. Children can make excellent progress in their reading and writing skills through the competent implementation of the Little Wandle Scheme and through both structured and unstructured opportunities to write and become authors. Extremely frequent reading, both in groups and 1-1 supports this progress. The systematic teaching of core mathematical concepts is well supported through the use of the White Rose mathematics scheme and the extensive use of a wide range of manipulatives that are readily available to the children.*
- EYFS CPD: Strong collaboration between Pioneer EYFS teachers means that teachers are supported and challenged to ensure the highest standards of provision are in place. Termly EYFS Pioneer moderation and externally with Alliance and LA. ensures that judgements are calibrated effectively. See moderation mins and LA moderation reports.
- EYFS Curriculum 21-24: leadership have worked with EYFS Pioneer teams and LA consultants to develop an ambitious new curriculum that fulfils the new framework expectations and is still designed to give all children, particularly the most disadvantaged, the knowledge, self-belief and cultural capital they need to succeed in life.
- Pioneer EYFS Hub and Expertise: Within the Pioneer Federation EYFS team we have County moderators. The teachers have also previously led the County Pioneer EYFS Hub, providing training and support for East Sussex Pre-schools, Nursery and Reception Classes.
- 23/24- Development of EYFS outside space (£20k). Effective development of the premises outside EYFS area and now need to embed (24/25) the 'provision and use of EYFS outside area' & develop the skills of EYFS support staff in understand how to effective extract 'child initiated' pupil evidence for EYFS core areas of development.

EY- Areas for Development 2024/25

Areas for development – *what we need to work on to move towards 'Outstanding'*

PRIORITIES FOR IMPROVEMENT (SEPTEMBER 2024-JULY 2025)

SMV school specific area of development 24/25 – 'Outside EYFS Area Provision' – now need to embed (24/25) the 'provision and use of EYFS outside area' & develop the skills of EYFS support staff in understand how to effective extract 'child initiated' pupil evidence for EYFS core areas of development.

5.1- **EYFS Curriculum**-To redesign the **EYFS curriculum** to enable Rising 5's to be incorporated within EYFS classes across Pioneer from September 2025.

5.2- **Early Years Classes for all Pioneer school (to include Rising 5's)** – To ensure that all **premises logistically & staff training aspects** are in place for new early years classes from September 2025.
