## SIAMS Priorities

No.	Description
1	Governors to consistently hold senior leaders to account to ensure that all church school developments are addressed in full, in a timely manner. Refine and clarify vision and values.

Consolidate rigour in the assessment of RE to show that it is effectively informing teaching and learning and demonstrates at least good pupil progress in relation to the requirements of the agreed syllabus.
3	Develop collective worship by strengthening links between Christian values and Biblical teachings to pupils’ own behaviour and attitudes.
4	Develop children’s understanding of the breadth of Christianity as a global faith so that they appreciate the rich variety of different Christian traditions and the way that this is expressed through worship.
