Term 3 Week 4 2026

Friday 30th January 2026

Being the best we can be in a thriving community, following the example of Jesus.

## Headlines from the Head

Dear St Mary's Families,

There have been so many exciting events happening across the school this week, so in this newsletter we are celebrating all the rich opportunities within each class. We hope you have a wonderful weekend.

Mrs. Fry

### Maple Class

This week Maple Class had a very wet trip to the Fire Station. Here they had the opportunity to try out a hose, dress up as a fire fighter, and had a go at driving a real fire truck.

### Cherry Class

The children in Cherry Class have been very busy over the past few weeks looking after a special egg that they discovered. The children worked together to develop a plan to look after the egg and this included writing detailed instructions. Because of the great care off the egg, the egg eventually hatched. Luckily, the chick was caught on CCTV so the children finally found out whom the egg belonged to!

Dear Cherry Class,

Thank you so much for writing such brilliant instructions to help me to look after my egg. You have been so helpful!

It is in fact a penguin egg and my baby penguin has finally hatched thanks to your care. He is now making his way all the way back to

Antarctica to be with his friends.

Thank you all so much for taking such good care of him.

Love from,  
Pebble Penguin

If you need the newsletter, or any other school letter, to be in a different format, please speak with Mrs Miller in the school office.

If you need help or support with access to any information, please also contact Mrs Miller.

## Headlines from the Head continued

### Willow Class

What makes Rocks beautiful? Well, Willow Class have been asking exactly that question this term; and on Wednesday, the class was treated to a fantastic hands-on workshop with Mrs. Rowberry. Here are some photos

### Lilac Class

As part of Lilac's music lesson on Tuesday, Specialist singing teacher Rosie worked with the children to develop singing. Children were taught warm-up exercises, before working as a class to perform Bruno Mars' *Count on Me*. It was great to see so many children having a go at the solo parts within the performance. We look forward to working with Rosie again next week.

### Top Tips

Letters, emails and WhatsApp's home this fortnight. Please check below and let the office know if you have missed any:

### Whole School—

Lilac— Forest School on 5.2.26 is all day

Willow— Y4 Maths homework correction

Cherry— Y2 Times Tables Rock Stars log-ins

Maple— Phonics information & Boom Reader

Help us listen to stories!

The theme for World Book Day this year is *Read your own way*. To support encouraging children to enjoy stories we would like to create an area that is rich in opportunity to listen to stories.

Do you have an unused listening device that you would like to donate? Do you have any CD audio books?

We are also looking for redundant CD players.

Please speak to Mrs Fry if you are able to offer any of the above.

## School Values

**Love:** love and respect yourself and all others, treating them as you would like to be treated.

Luke 10: 25-37

**Strength:** recognise people's strength and use your own to be resilient and the best you can be in all that you do.

John 6: 1-14

**Faith:** have faith in yourself and others, and be honest and truthful. Believe that you never know what you can achieve until you try.

Luke 5: 1-11

Each week, one pupil from each class is recognised for their engagement within our school values which underpin our vision of 'being the best we can be, in a thriving community, following the example of Jesus'. Again, these are recognised in our Celebration Assembly on Fridays but we want also to celebrate them with you. Since the last newsletter:

**Love**—Michael—Thankyou for being a wonderful member of Cherry Class. You quietly demonstrate amazing behaviour, top quality learning and kindness towards your friends—you legend!

**Strength**—Florence—Well done for showing great strength when things get tough. You're a brilliant example to all at St Mary's on how to be resilient and keep smiling throughout. What a smasher!

**Love**—Ida—For showing love, kindness and respect to members of Willow Class. This week Ida has been a superstar in supporting members of our class in their learning. Well done Ida!

**Strength**—Henry—for doing his absolute best by giving everything a go, not giving up, and putting huge amounts of effort in. He is also helping others who need help.

**Faith**—Ellamy—for having faith in herself and never giving up even when she finds something tricky. This week Ellamy has got to the next stage of the 99 Club and it was great to see how proud she was of her achievements.

**Love**—Charlie C—Once again, your love of school, friends, people and nature has been infectiously positive. Thank you for shining your beautiful light on us. Forest School 22.1.26—the best!

"Skills for learning, skills for life"

PARTNERSHIP

## **Star Skills**

Each week, one pupil from each class is recognised for their 'star skills' development. This year, to ensure we celebrate with clarity, certificates are given when a child has shown amazing growth in a particular area, which is then recognised in Celebration Assembly on Fridays.

Celebrations since the last newsletter:

**Aiming High**— Ruby—This week Ruby has been aiming high in Maths. She has been practising her times tables and shown perseverance by trying and trying again.

**Aiming High**— Maple Class—Every child has joined in learning times, tried their best and we are so proud!

**Aiming High**— Rosie—You are absolutely flying in Year2! You have started 2026 with a BANG! Thank you for your incredible attitude to learning. You rock!

**Leadership**—Jonty—You are a natural leader and you always share fantastic ideas with the class. Your insights are really interesting and you're great at helping others in our class. Thank you for being a great leader!

**Leadership**—Lois—This week, I have noticed Lois going above and beyond helping out other classmates and showing great leadership skills in Science, by helping her team keep on task in our experiment.

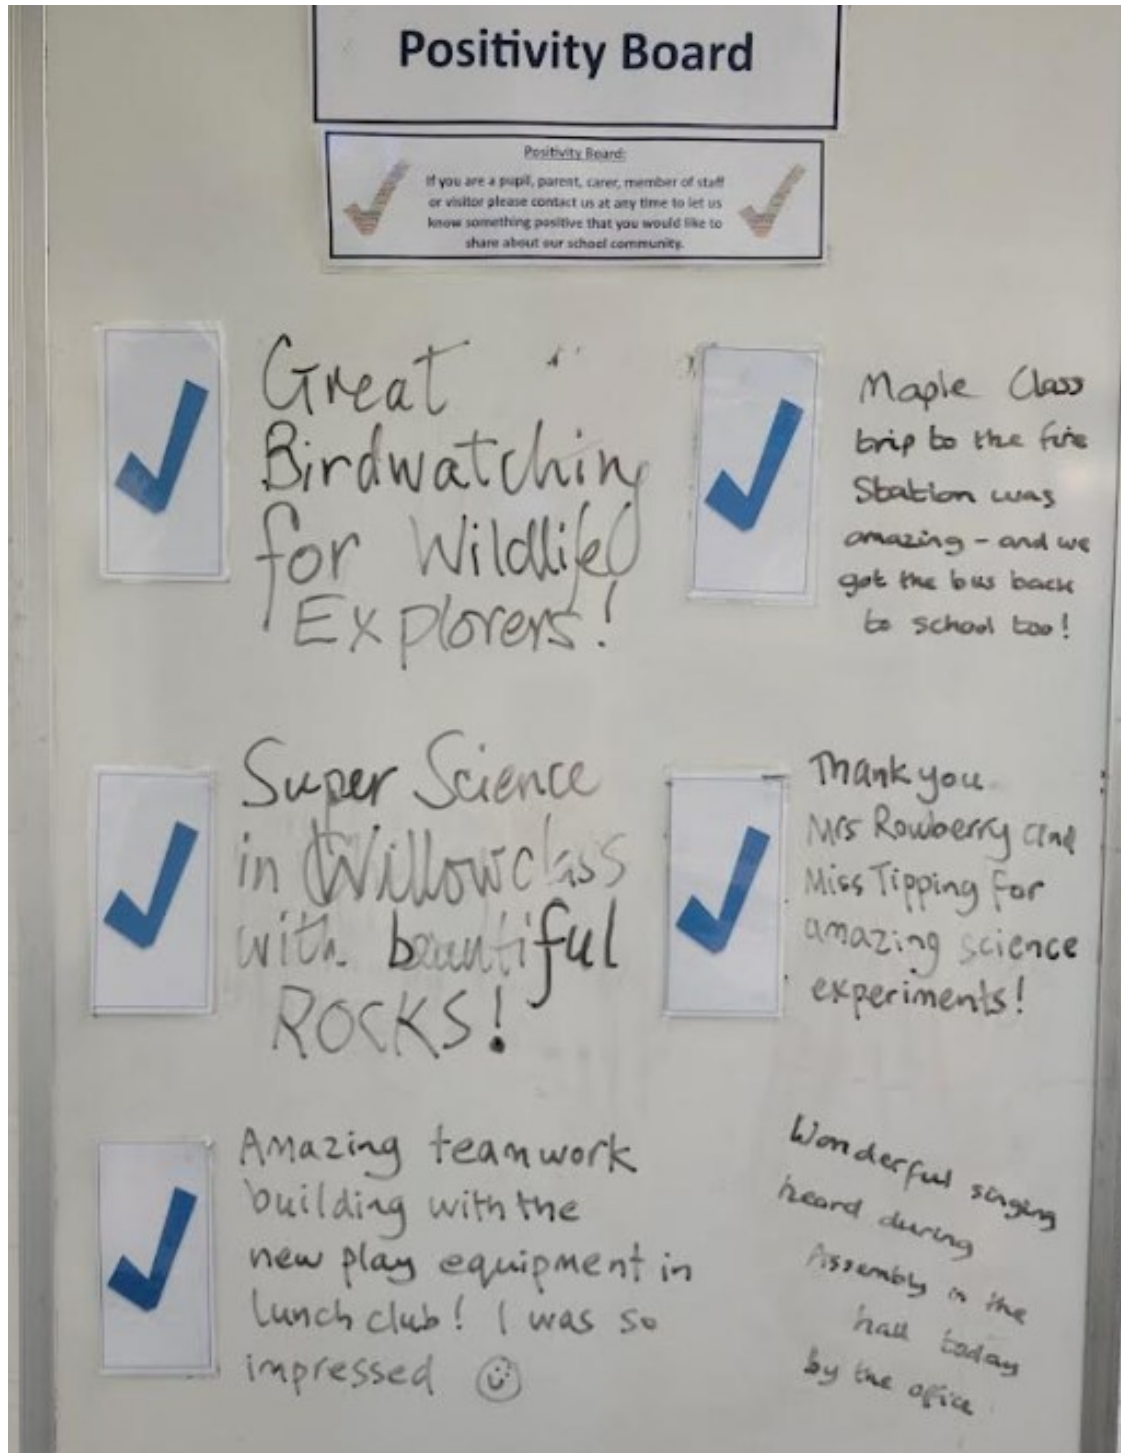

**Listening**—Sid—Something new is going down with Sid, and whatever it is, we love it! You're totally on it with your learning and listening so carefully to instructions! Also, let's not forget the 'mud-fest' at Forest School on 22nd January—you were amazing at listening to instructions! Whoop whoop!

**Aiming High**—Bertie—who had a go on his bike this week during Wheel Week. Well done Bertie!
