## Headlines from the Head

### Children's Mental Health Week 2026

This week has been children's mental health week. The theme for this week has been, "This is my place", an opportunity to help children explore the sense of belonging.

At the beginning of the week, children were invited to bring in their favourite books from home and share these with friends from other classes.

Each day Mrs. Carpenter, who runs Sensory Circuits has been popping into each class to share how movement can help us to regulate our bodies.

At the start of the week, children were introduced to a new song called **We belong together**. Here is the link to the song if you would like to listen together with your child at home. <https://www.youtube.com/watch?v=29q7PX5IG28>

On Tuesday, we celebrated safer internet day by exploring the positives and negative impact of AI.

Lilac class explored different situations when AI might be used and discussed advice we would give to a friend. The children enjoyed roleplaying the different scenarios.

Our overall message during safer internet day was, if something makes you feel uncomfortable or upset. Make sure you tell a trusted adult.

Mrs. Fry

If you need the newsletter, or any other school letter, to be in a different format, please speak with Mrs Miller in the school office.

If you need help or support with access to any information, please also contact Mrs Miller.

## Headlines from the Head continued

On Wednesday 4<sup>th</sup> February, the school choir travelled up to Wembley OVO Arena to take part in Young Voices 2026. Young Voices is the largest children's choir concerts in the world, bringing together primary schools from across the UK in a truly electrifying experience. Since June, the choir have been meeting with Mrs Fry each week to learn the songs; these included many melodies including Sea Shanties, Pop, and songs from Wicked. The day consisted of a 3-hour rehearsal with many other schools, before parents arrived to see the performance. The children were absolutely brilliant and Mrs Fry was very proud of what great ambassadors the children were for our school.

"When you are on stage and people are clapping it feels great."

"We got on a coach to Wembley Arena and sung in front of 4,316 people."

"When they turned the lights off it was like a starry night because we all had torches."

"They had amazing dancers called Urban Strike and an orchestra in the middle with a conductor."

Help us listen to stories!

The theme for World Book Day this year is *Read your own way*. To support encouraging children to enjoy stories we would like to create an area that is rich in opportunity to listen to stories.

Do you have an unused listening device that you would like to donate? Do you have any CD audio books?

We are also looking for redundant CD players.

Please speak to Mrs Fry if you are able to offer any of the above.

If you need the newsletter, or any other school letter, to be in a different format, please speak with Mrs Miller in the school office.

If you need help or support with access to any information, please also contact Mrs Miller.

## **School Values**

**Love:** love and respect yourself and all others, treating them as you would like to be treated.

Luke 10: 25-37

**Strength:** recognise people's strength and use your own to be resilient and the best you can be in all that you do.

John 6: 1-14

**Faith:** have faith in yourself and others, and be honest and truthful. Believe that you never know what you can achieve until you try.

Luke 5: 1-11

Each week, one pupil from each class is recognised for their engagement within our school values which underpin our vision of 'being the best we can be, in a thriving community, following the example of Jesus'. Again, these are recognised in our Celebration Assembly on Fridays but we want also to celebrate them with you. Since the last newsletter:

**Strength—Charlie—**this is awarded to Charlie for showing amazing strength and perseverance at Forest School! When his shoes came off in the mud (uh-oh!) he didn't let it stop him. He kept on going, tackled the tricky situation and carried on having fun like a true Forest School adventure! We are so proud of you Charlie!

**Faith—Jay-J—**this is awarded to Jay-J for showing faith and kindness at Forest School. While heading to Forest School he went out of his way to help other children, showing care and thoughtfulness. He even came back to help others make their way safely through the muddy fields—a true example of kindness and trust—well done Jay-J

**Faith—Dotty—** you have shown incredible faith in your own abilities lately and we are so proud of you. You can do anything if you believe in yourself and you are flying right now. Thank you so much for your faith, resilience and perseverance!

# St Mary's Star Skills

"Skills for learning, skills for life"

SkillsBuilder PARTNERSHIP

## Star Skills

Each week, one pupil from each class is recognised for their 'star skills' development. This year, to ensure we celebrate with clarity, certificates are given when a child has shown amazing growth in a particular area, which is then recognised in Celebration Assembly on Fridays.

Celebrations since the last newsletter:

Listening—Lander—Thank you so much for your incredible listening, Lander. It makes our classroom such a positive space to be. Every time I look over you are doing exactly as I have asked, and your work shows the benefit. Well done Lander! You are amazing.

### Forest School Term 3

This term the children have been learning how to identify the poo belonging to many different animals found within the British countryside. They have done this by working together as a class to match pictures of animals with their matching poo picture. We then discussed as a class what they thought their animal would eat to match the diets with the animals' given. Children have also been able to make their own poo! This was done by mixing compost, flour and water together until it was nice and sticky. They then added straw, grass and other natural materials to recreate what they had looked at in class.

Once in the woods the children were asked to see if there was anything that they noticed within the woodland that was different from their last visit, something that is not normally out quite yet. The children all noticed that the Bluebells had started to grow, as a group we talked about why they may have come up early this year.

With all the rain, there has been a very good flow of water in the ditch at Forest School this term. When Cherry class arrived, they noticed that the water disappeared down a hole in the ground with two possible points that it popped back out a little further down in the woods. They mixed up a bucket of coloured water and poured it down the hole to help work out what way the water flowed, unfortunately the mystery continues as the coloured water never came out meaning that there may be another exit that the class have not yet discovered.

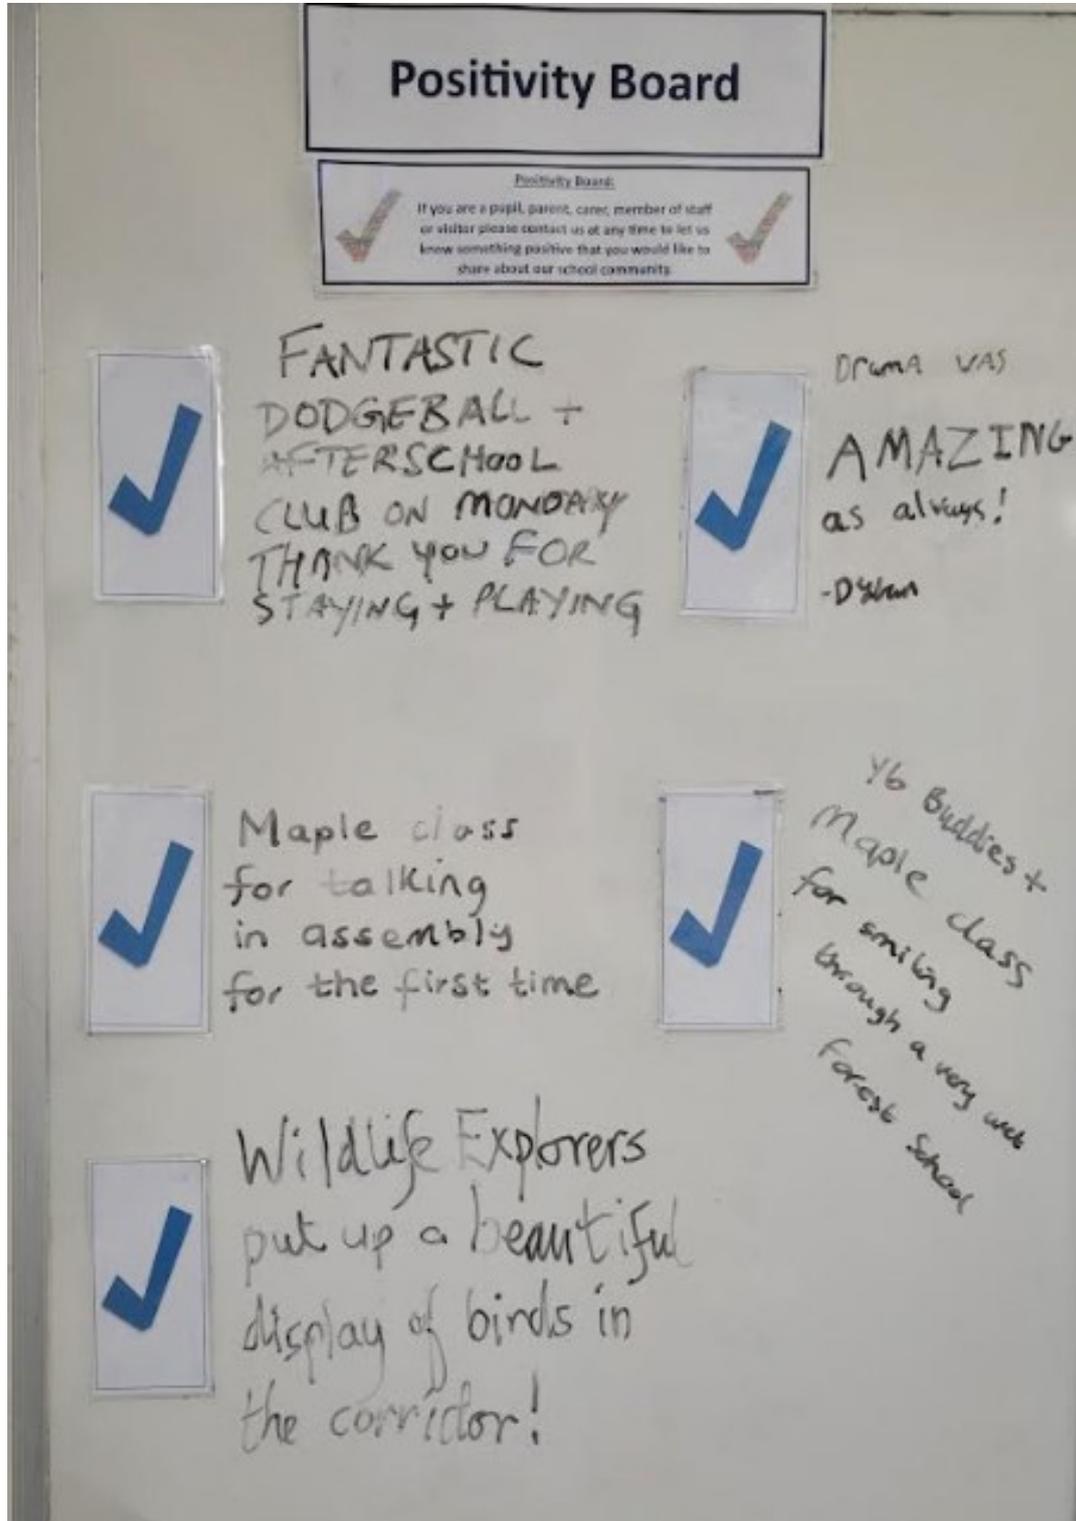

Lilac class were joined for their Forest School session this term by the Year 5/6 class from Chiddingly. They showed them the rather muddy route they take to Forest School. Once in the woods they two classes set to work to make the biggest dam that they could with the aim of stopping the flow of water. They did this with many lumps of wood packing the gaps with clay like mud to prevent too much water escaping, this method was very successful. Before leaving the woods the children unblocked the water's exit hole and then weakened their dam, the water soon broke through and rushed down the ditch before disappearing down the holes. The two classes were able to practice their fire lighting skills making a roaring fire ready for toasted sandwiches at lunchtime.

*The Impact of Forest School for the children is the knowledge the children have gained from the Forest School experience, this can be seen through the skills gained, tools used, art and craft activities, observations and knowledge of the fruit, plants and trees in relation to the seasons.*

## Positivity Board

This board enables us to write positive comments, or thoughts, from parents, carers, staff, children and visitors that they would like to share with others about the school, their classes, the children or events.

Please contact us at any time (or come into school) to let us know something that you would like to share. In the newsletter, there will be a picture to share and celebrate the positivity within our school.

We are keen to increase visits to our school, and have spaces in many year groups, so please spread the word about our open events, and share and like our Social Media posts!

**Active Education**

The poster features a background of smiling children's faces. At the top left is the Ofsted Registered logo. At the top right is the Active Education Sussex logo with a QR code and the text 'SCAN ME'. Three location pins are shown: Eastbourne (red), Uckfield (blue), and Hailsham (green), with a 'NEW' badge over Uckfield. The main title 'FEBRUARY HOLIDAY CAMP' is in large, bold, blue and yellow letters. Below the title are six activity photos: 'VARIETY OF SPORTS' (basketball), 'ART & CRAFT' (children at a table), 'FOOTBALL' (children on a field), 'STRATEGY GAMES' (chess), 'DANCE' (children in a studio), and 'PERFORMING ARTS' (children on stage). At the bottom, the dates 'Monday 16th - Friday 20th February 2026' and the text 'We now offer even more childcare vouchers!' are displayed. Logos for childcare providers are shown at the very bottom: Childcare Vouchers, Edenred, Bright Horizons, Childcare Choices, bravo benefits, and GEMELLI EMPLOYEE BENEFITS.
