Term 4 Week 4 2026

Friday 20th March 2026

Being the best we can be in a thriving community, following the example of Jesus.

Headlines from the Head

Science Week 2026

What is your curiosity?

Last week was British Science Week. Throughout the week, the children were given opportunities to explore different scientific questions including *How do boats float? What makes an aeroplane stay in the air? How could food grown on the moon? How are animals similar and different?* To finish this week of exploration the whole school visited the Herstmonceux Science Observatory. We had a great time being hands on as well as exploring all the amazing exhibits and taking part in the Space Science show. We learnt so much as well as having lots of fun.

If you need the newsletter, or any other school letter, to be in a different format, please speak with Mrs Miller in the school office.

If you need help or support with access to any information, please also contact Mrs Miller.

Social Justice Projects

Social Justice Projects

Did you know that all our classes each have a project to champion change?

These projects focus on advancing equity, human rights, and systemic change through community action and advocacy.

Maple Class

Arty time is a community arts projects based in Crowborough. The Scrap Store offers recycled materials for members to use in their art and craft projects. This helps reduce waste. In 2025 The Scrap store saved 2803 kg from going in the bin! This year Maple Class are working to support the Scarp Store and promote this amazing local resource.

Cherry Class

Cherry Class continue to sponsor an Elephant in the Nairobi National Park to support the conservation of Kenya's wildlife.

Willow Class

Willow Class are working towards the Better Planet award. This involves campaigning for a greener and more sustainable world. This year the children have already won an exciting competition to promote looking after our world.

Lilac Class

This Year Lilac Class are sponsoring a child through International Needs. This is a Christian charity that works around the world supporting the poorest people. In September Grace, from International Needs visited us to share about the charity and Lilac children were driven to want to work alongside this charity. They are currently planning fund raising towards their sponsorship.

Tennis

Tennis coaching

Our Year 5 and 6 children have been enjoying tennis coaching with local tennis coach George over on The Croft. This has been a great experience for our children to have professional coaching and develop specific ball and racquet skills. We are very grateful to Hartfield Tennis Club for providing these sessions for us this term. Thank you to Mrs. Hill for organising this for our Year 5 and 6 children.

"I like playing tennis because it helps me keep energetic and so fun!"

"It's really fun, George really helps and is really good at seeing when you need help. I like his positive feedback."

"George is really nice, he shows me how to play well and is really kind. He helps us to make good progress."

Choir Update

Last Wednesday the Choir visited the village hall to offer some entertainment to those that had gathered for the monthly village lunch in Hartfield village hall. The children were excited about sharing the songs that we had learnt for Young Voices.

Changes to Choir in Term 5

After Easter, Choir will continue to run on a Tuesday lunchtime when Rosie our specialist singing teacher will continue to join us and share important technique. ***In addition to this***, choir will now also meet before school on a Thursday morning at 8am. This will give more time to practice and learn a wider variety of songs.

Help Inform Childcare in East Sussex

East Sussex County Council must publish a Childcare Sufficiency Report every year. This report explains how the Council plans to ensure there are enough childcare places for families who are working, studying, or training. It covers childcare for children from birth to age 14 (or up to 18 for children with disabilities).

To help inform the 2027 report, we will be gathering feedback from parents and carers at several points throughout the year. As part of this, we kindly ask you to complete this survey by **13th April 10am** using the link below.

[Childcare sufficiency parental survey Spring 2026 – Fill in form](#)

School Values

Love: love and respect yourself and all others, treating them as you would like to be treated.

Luke 10: 25-37

Strength: recognise people's strength and use your own to be resilient and the best you can be in all that you do.

John 6: 1-14

Faith: have faith in yourself and others, and be honest and truthful. Believe that you never know what you can achieve until you try.

Luke 5: 1-11

Each week, one pupil from each class is recognised for their engagement within our school values which underpin our vision of 'being the best we can be, in a thriving community, following the example of Jesus'. Again, these are recognised in our Celebration Assembly on Fridays but we want also to celebrate them with you. Since the last newsletter:

Faith—Ellamy—For always showing faith in herself and others! You have shone bright this week through your constant support of your friends and classmates! This week in Maths you have shown true perseverance when learning fractions, and kept other people around you going as well! Well done!

Faith—Scarlett—Wowzers! You are doing so well in school at the moment, Scarlett! You are so dedicated to your learning and you work really hard to achieve your best. You obviously have great faith in yourself!

St Mary's Star Skills

"Skills for learning, skills for life"

Star Skills

Each week, one pupil from each class is recognised for their 'star skills' development. This year, to ensure we celebrate with clarity, certificates are given when a child has shown amazing growth in a particular area, which is then recognised in Celebration Assembly on Fridays.

Celebrations since the last newsletter:

Teamwork—Ophelia—You are an absolute star! Thank you so much for being such a team player in Cherry class. You're a kind friend, a dedicated learner and an extremely helpful member of the Cherry team. Keep shining bright!

Listening—Jay-J—Well done Jay-J! You have shown great listening skills in class, you're always on task and the first one to look my way when you hear the bells!

Leadership—Iris—You're such a leader in Cherry Class Iris! I'm so impressed with the way you follow when we're listening as a class, and you lead when you have the chance to do your own thing—especially in anything creative!

Teamwork—Year 5—You've all been so patient and kind to Year 6 during their mock SATs week.

Problem Solving—Tuppence—This week, Tuppence has shown great problem solving skills: even when the Maths feels tricky, she never gives up and keeps on trying! She works hard, learns from her mistakes, and shows faith in herself! Your positive attitude and perseverance make you a brilliant problem solver.

Wildlife Explorers

Every Wednesday, Wildlife Explorers meet with Mrs. Rowberry. The group work through different objectives each week which are themed around the seasons. Spring is always a really exciting time as new life begins to appear. This week the children explored buds and sprouts on our new hedging at the front of the school. They also found tadpoles in the pond. As a whole school we are looking forward to observing the tadpoles over the next few weeks!

“I have been doing planting flowers and making rockets and bird watching and making violet bags.”

Maia

“At Wildlife explorers we make rockets and have our own books! Everyone is helpful to one another and we plant flowers and hedges.”

St Mary's Very Own Star Reporter!

We are so proud of Cece, who this week was live on Heart FM Breakfast Show as a finalist for Hearts Showbiz Kid reporter job.

She interviewed Amanda Holden live on air.

Today Cece was crowned the winner along with a boy called Finley.

Cece will be doing red carpet interviews, press junkets and interviewing celebrities in the Heart studio. She is very excited! We can't wait to hear about all the people Cece gets to interview in this new role. Well done Cece!

Cross Country School Representatives - Well Done Team!

Well Done Joshua!

Joshua graded to Brown belt recently. It was a huge accomplishment, as it's quite a hard belt to achieve.

School Lunch Menu changes first week back after Easter

Due to delivery issues after Easter for the first couple of days, the kitchen will be changing the menu slightly for Monday 13th April, and Tuesday 14th April to the following:

Monday

Fish and Chips

Quorn and Chips

Cheese Sandwiches

Tuesday

Pasta Bolognese

Tikka Veggie Roll & Veg

Cheese Sandwiches

Tuna Sandwiches

(No Ham Sandwiches on this day)

In addition, for these two days there will be no Fruit, Salad or Jacket Potatoes.

Thank you for your understanding! Please remember the Chartwells menu changes after the Easter Holidays, so check it out on the school website during the holiday, before booking for term 5.

Positivity Board

This board enables us to write positive comments, or thoughts, from parents, carers, staff, children and visitors that they would like to share with others about the school, their classes, the children or events.

Please contact us at any time (or come into school) to let us know something that you would like to share. In the newsletter, there will be a picture to share and celebrate the positivity within our school.

We are keen to increase visits to our school, and have spaces in many year groups, so please spread the word about our open events, and share and like our Social Media posts!

We Need You!

After an incredible 6 years of dedication, our wonderful Chairperson Kerry Powell has stepped down for a well earned rest!

We're excited to be looking for someone new to step into this role. If you're interested in becoming the PTFA Chairperson, or would like to find out more, please have a chat with Katie or Helen.

If the Chairperson role is not for you, but you'd still like to get involved, we'd love to expand our team. Please let us know if you would like to be added to our 'Regular Helpers' list - Thank you!

Fundraising Focus

This year, our focus is supporting the school with the replacement of the playground trim trail. We are delighted to be involved in this exciting addition to the children's daily routine.

We will continue to raise vital funds through the remainder of this academic year through a range of regular activities, including class bake sales, discos, special person gifting and our Sports Day BBQ. You can support these fundraising efforts by taking part in our events, using Easyfundraising when you shop, or purchasing second-hand uniform.
