

Term 3 2025-2026
Lilac Class newsletter
'What makes a hospitable environment?'

Dear Lilac Class Families,
 Wishing you a Happy New Year! We hope you have had a restful break and a lovely Christmas! This term, we are starting a new geography topic based around 'What makes a hospitable environment?'. We will be using Wolf Brother by Michelle Paver, and Holes by Louis Sachar, as inspiration in our writing. Our focus in Geography moves from Europe across the Atlantic to learn about North America and in R.E. we will be learning more about Hinduism. In maths, we will be finishing off fractions before moving onto looking at decimals and then area, perimeter and volume.
 As last term, we will learn spellings in class and some of their grammar homework pages will be focused on spelling patterns: we will not be sending spellings home to learn. The spelling patterns for Term 3 are:

Spellings	ing/ed/est/er to words ending in -y	ing/ed/est/er to words ending in -e with consonant or a vowel before it	-able and -ible and -ably and -ibly	adding suffixes beginning with vowels to words of more than one syllable	-ly including exceptions	-sure/-ture
------------------	-------------------------------------	---	-------------------------------------	--	--------------------------	-------------

Questions you could ask your child about their learning this term:

- What has happened so far in 'Holes'?
- What are some human/physical features of North America?
- Are there similarities between North America and Europe?
- What have you written your persuasive leaflet about?
- How do you classify living things?
- Can you name me an item in your classroom in French?

Helping to enrich our topics

It is always great to have items that support our topic, so if anyone has any items that may help us with any of the work above that we could borrow, we would love to share in school.

Reminders – Please can you make sure your child brings in a labelled water bottle each day with fresh water; ensure all jumpers are labelled and bring a coat for any wet weather.

Our Forest School day this term is **Thursday 5th February 2026**.

Please do not hesitate to contact me if you have any questions.

Many thanks for your support,
 Mrs Hill
