

What is the purpose of the Hub?

The core purpose of the Early Years Hubs for Excellence is to enable the diverse early education provision in East Sussex to thrive.

For schools, pre-schools, childminders, Children's Centres, other key partners and the Local Authority to work in partnership to ensure that across their local area, as defined by key partners.

- All children are able to attend an early education provision that is rated at least Good by Ofsted
- All children achieve the best possible outcomes from their early education
- All children experience consistent and wherever possible seamless Foundation Stage learning.

The Pioneer Hub

The Pioneer Early Years Hub is co-ordinated Sheridan Denney and Claire Winchester. Sheridan and Claire both teach Reception classes, are county moderators and Assistant Head Teachers in their respective schools. Sheridan is also the EYFS Lead at East Hoathly School and Nursery. Claire is also a Specialist Leader of Education as part of the Newick Teaching School.

The aim for the Hub is to provide training, networking and opportunities to work together to improve outcomes for all the children in our settings. As a Hub we will meet across the academic year to take part in different activities including training and moderation.
