Transition to School

We know that transition to school can be a nerve wracking and exciting time for children and adults. We are going to be learning about the book Farmer Duck as we settle into our first days at school. This poster shows you some ideas of activities you could do in your setting as part of transition project. There is also a parent sheet of ideas and activities.

Read, watch or share stories and videos with farm animals in. Singing Songs about animals

Small World - Using puppets, farm animals and other farm texts.

Counting and sorting animals in groups, size, and weight or number order.

Story Telling using actions, creating story maps and pictures. These could be 3D or collages.

Have a digging area with tools
