

Mathematical Vocabulary

Exploring Number:

After, before, bigger, count back, count on, digits, even, fewer, fives, hundreds, in-between, least, less, match, more, most, next, numbers, numerals, odd, one less than, one more than, ones, order, place value, previous, recognise, sort, tens, units, what's missing

Number Functions and Fractions:

A further amount, a little, a lot, add together, altogether, another one, array, bigger, count back, count on, divide, double, fraction, equal, grown by, half, half an hour, half past, halve, how many, how much now, increased, left over, less than, many, minus, more than, multiply, number, one, one more, one less, pair, part of, pieces, quarter, quarter past, quarter to, remove, semi-circle, separate, share equally, split, subtract, sum, take away, third, three-quarters, thrice, total, trio, triple, twice, two-thirds, whole, zero

Money :

Bargain, change, cost, discount, euros, expensive, how much, less than, more than, pence, pennies, pounds, price, quid, sale, swap, swipe, value

Measurement:

Capacity:

Capacity, containers, cubic meters, empty, fill, fit, full, half a pint, half-empty, half- full, level, litres, loose, millilitres, overflowing, packed, pint, pour, scoop, size, space, tight, volume

Weight:

Balance, different, drop, equal, float, heavier, heaviest, heavy, kilo, kilogramme, light, lighter, lighter, lightest, load, loaded, mass, move, pounds, same, scales, sink, weight

Size:

Big, bigger than, centimetre, different, greater than, hand, height, inch, kilometre, large, length, less, little, long, longer, longest, macro, metre, micro, mile, more, same, short, shorter, shortest, small, smaller than, tiny, titchy, wide, wider, widest, width, yard

Time:

After, afternoon, almost, analogue, anticlockwise, before, century, clock, clockwise, date, day, digital, evening, fast, forever, hour, how long, later, midday, midnight, minute, moment, month, morning, nearly, never, next, night, noon, now, pendulum, quickly, season, second, slow, soon, sunrise, sunset, then, week, year

Spring, summer, autumn, winter

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday

January, February, March, April, May, June, July, August, September, October, November, December

Pattern:

After, again, balance, before, curved, decrease, different, finish, in and out, in-between, increase, lines, match, middle, next to, pattern, puzzle, repeat, round, same, sequences, smooth, spiral, spots, start, strategy, stripes, under and over, up and down, wavy, zigzag

Shape and Symmetry:

Above, angle, anticlockwise, backwards, behind, below, between, circle, clockwise, closer, coordinates, cone, cube, cuboid, curved, down, drawing, edge, face, far, flat, forwards, further, here, hexagon, higher, in front of, inside, junction, left, line symmetry, long, lower, map, mirror line, near, network, next, oblong rectangle, opposite, outside, oval, path, pentagon, plan, position, prism, quadrilateral, region, regular sides, rhombus, right, right angle, roll, scale, short, side, similar, slide, smooth, solid, sphere, square rectangle, stack, straight, there, triangle, up

Position, Direction and Movement:

Above, anticlockwise, arrow, backwards, behind, below, beside, clockwise, close, compass, curved, direction, down, east, far, forwards, here, high, horizontal, in, in-between, in front of, inside, inside-out, left, line, low, near, next to, north, on top, out, outside, over, path, position, right, route, south, straight, there, through, turn, under, underneath, up, upside down, vertical, west

Data Handling :

Alike, belongs, bigger than, chart, classify, collect, column, diagram, difference between, display, does not belong, few, fewer, fewest, first, gather, graph, greatest, group, how many, least, less than, match, more than, odd one out, organise, row, similar, smaller than, sort, tally, the same as , tick total vote
