

5 TIPS TO MOTIVATE STUDENTS

Group work

Develop activities where students can work in small groups. Use positive competitions

Praise

Praise the students hard work and effort. Recognise how hard they have worked

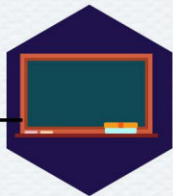

Strengths

Reward their strengths and strengthen their weaknesses. Help students to grow and develop

Plan

Plan and teach well structured and engaging lessons. Be organised with what you are going to do in each lesson

Student involvement

Involve the students in activities. Give them some control over what they are doing. Make them feel valued
